

**Radford High School Class of 1960**  
*Newsletter October 2008- Updated February 2009*

This newsletter started out to answer a question that I have been asked by a number of classmates, "Whatever happened to so-and-so?" As time marches on, our classmates continue to move around. Others have passed on, and I would ask for a moment of silent prayer (in your own fashion) in their memory. I've compiled a new class roster that I sent out separately, and this is an attempt to give a little detail to peoples' activity. **This newsletter is also posted on the Class of 1960 website hosted by Gary Nuibe and his wife, Lynne. See address of the website at the end of this letter.**

**If any of you have new information on any of our classmates, please send it Doug Kinley.**
